Dear Resident,

**RE: Shared Cycleway Construction, Opposite Glencairn View, The Gallops, Dublin 18.**

Please note, we will shortly commence construction of a new shared cycleway in the green area opposite Glencairn View. The construction will link the existing shared cycleway, which currently terminates at opposite ends of the green space, and provide continuity for pedestrians and cyclists as required by our planning permission. Please refer to **Figure 1** for design layout, for your information.

**Figure 1.**

The works are due to begin on, or about, the 13<sup>th</sup> of September 2021 and completed by 15<sup>th</sup> November 2021, with working hours between 08:00-18:00 Monday-Friday. As the green area is currently being used by pedestrians and cyclists as a link between the existing shared cycleway, we

have developed a pedestrian management plan, **Figure 2**, that will be in place during construction phases. Please note, no works will take place on the roadway.

We thank you in advance for your cooperation during these works.

Kind regards,

Park Developments.
